High Temperature Wire & Cable

Quirk Wire Co. is a manufacturer of high temperature wire and cable. Our product line does include parts that contain tin plated copper. Tin is known to be a Conflict Mineral, as defined in 2010 United States legislation, Dodd-Frank Wall Street Reform and Consumer Protection Act, Section 1502 (e)(4).

Quirk Wire Co. can certify that the tin-plated copper it purchases from its supply chain, does not originate from the Democratic Republic of the Congo or adjacent country.

None of the products manufactured by Quirk Wire Co. contain tantalum, gold or tungsten.
